

## Certificate of RoHS Compliance

This letter is to certify that all IMS Products identified with either a green “RoHS Compliant” label and/or “-G1” suffix are compliant to RoHS (Restriction of certain Hazardous Substances) Compliance Requirements per EU Directive 2002/95/EC. To the best of our knowledge, these products do not contain Lead, Mercury, Hexavalent Chromium, Polybrominated biphenyls – PBB, Polybrominated diphenyl ethers – PBDE above 0.1% (by weight) and Cadmium above 0.01% (by weight).

Steve Henry  
Director of Manufacturing

Chris Cascio  
Quality Manager

Date: May 30, 2006

**Important Information and Disclaimer:** The information provided by IMS on its website or in other communications concerning the substance content of its products represents IMS's knowledge and belief as of the date that it is provided. IMS bases its knowledge and information provided by its suppliers and makes no representation or warranty as to the accuracy of such information. When possible and as time permits, chemical analysis is performed to verify the accuracy of the information supplied by our suppliers. In no event shall IMS's liability arising out of such information exceed the total purchase price of the IMS product at issue.
