MX-CC100-000 RS-232 Communications Cable

The MX-CC100-000 Communications Cable is an in-line RS-232 interface utilizing a DB-9F PC serial plug and a 10 Pin IDC mating connector. This product is used to communicate to a single MicroLYNX unit. The convenience of the RS-232 interface allows the MicroLYNX to be connected to a standard 9 pin serial port on a PC.
