

## Certificate of RoHS Compliance

This letter is to certify that all Schneider Electric Motion USA products are compliant to RoHS (Restriction of certain Hazardous Substances) Compliance Requirements per EU Directive 2002/95/EC.

To the best of our knowledge, our products do not contain Lead, Mercury, Hexavalent Chromium, Polybrominated biphenyls – PBB, Polybrominated diphenyl ethers – PBDE above 0.1% (by weight) and Cadmium above 0.01% (by weight), except as permitted by exemptions under EU Directive 2002/95/EC.

A class1 Material Declaration for specific items can be requested if required. Reference IPC.org website for information on the IPC-1752 Standard.

Steve Henry  
Director of Manufacturing

Chris Cascio  
Quality Manager

Date: February 20, 2012

**Important Information and Disclaimer:** The information provided by SEM USA on its website or in other communications concerning the substance content of its products represents SEM USA's knowledge and belief as of the date that it is provided. SEM USA bases its knowledge and information provided by its suppliers and makes no representation or warranty as to the accuracy of such information. When possible and as time permits, chemical analysis is performed to verify the accuracy of the information supplied by our suppliers. In no event shall SEM USA's liability arising out of such information exceed the total purchase price of the SEM USA product at issue.
