

Technical drawing of the 2500 series motor, showing front and side views with dimensions.

Dimensions and features:

- Overall height: 80
- Overall width: 97.5
- Mounting feet: 4xØ6.5
- Shaft diameter: Ø90±0.3
- Corner radius: R8.2

The curve of torque-speed

9.54
6.36
3.18
